The rough edge of the seating bench cuts into my back a little more each time Nick is thrusting into me. He's fucking me in sync with the rocking of the boat.

He pulls on my hair to tilt my head back and pour wine in my mouth. Most of it ends up running down my cheek and chin. I almost choke on what I managed to keep in my mouth.

I'm tearing up from the pain in my back and choking myself.

"Did I hurt you?," Nick asks, looking so solemn in his priest costume.

"No... Not enough yet."
